### DESCRIPTION

The Wheaton Volunteer Rescue Squad (WVRS) is planning to relocate from its existing facility, located at 11435 Grandview Avenue, to a new site at the corner of Georgia Avenue and Arcola Avenue. The WVRS has been at the Grandview Avenue location for approximately 35 years. The facility, a Class 1 Fire/Rescue Station, will be located on property owned by the WVRS.

### JUSTIFICATION

The Grandview Avenue facility is in poor overall condition and is significantly undersized to meet the needs of the WVRS. This project is recommended in the Fire, Rescue, Emergency Medical Services, and Community Risk Reduction Master Plan approved by the County Council in October 2005.

### OTHER

Preliminary cost estimates have been provided by the WVRS. The expenditures reflect about one-half of the total cost of the project as WVRS is contributing the remaining one-half using non-County funds. MCFRS and the WVRS will develop a Memorandum of Understanding to address terms for construction, financing, ownership, and operation of the new station. Upon completion of the project, the County and the WVRS will share ownership of the station and land. Preliminary cost estimates do not include all costs for off-site improvements, if needed. The total project cost will increase if additional off-site improvements are programmed.

### FISCAL NOTE

Debt service for this project will be financed with Consolidated Fire Tax District Funds. Project schedule amended to reflect current implementation plan.

### OTHER DISCLOSURES

- A pedestrian impact analysis will be performed during design or is in progress.
